

Armidale 2010

World War Two Living History Tactical Weekend

30th July to 1st August 2010

Location

Armidale NSW is situated in the New England Region, 465 km south of Brisbane (approx 6 hours) and 534 km north of Sydney (approx 7 hours) on the New England Highway.

The event will be held on the same ground used by NEMAS for its Dark Ages Events.

The exact location will be the ARMIDALE STATE FOREST.

From Armidale drive down MARSH STREET. You will cross Dumaresq Creek over the Steven's Bridge.

Drive down Marsh Street 1.1 km to an Ampol Service Station.

The road now becomes Rockvale Road continue on 5.2 km past new housing estates to the gate to the State Forest on your right.

The gate on the right after the bridge over Tilbuster Creek (it will be marked Day and Night). Look out for it after crossing the creek.

Follow the markers over the hill to the camp ground and site of the Long House.

A map of the area is available through CMA outlets. DUMARESQ 9227-3-S 1..25000 NSW.

The ground is plantation pine with sandy tracks and low hills opening onto a flat plain. There is little or no undergrowth.

At night, the forest near the camp area is pitch black. Individuals moving after dark are urged to carry a light source.

What is it all about.

The weekend is all about WW2 reenacting.

Practice weapons handling, safety, tactical formations / drills, and blank ammunition usage in a pleasant environment away from gum trees and the public.

SATURDAY: Morning - patrol/recce technique, personal cammo, formation and tactical doctrine - total 3 hours
Sat. Afternoon - recce exercise, stalking exercise. Saturday night will be non tactical with a chance to meet reenactors from around the country.

SUNDAY: Units will have the opportunity to practice your skills in tactical scenarios against your historically correct opponents. Tacticals - ambush, assault on prepared defence, sniper/partisan sweep - to be planned and flexible according to troops available.

All troops must be prepared for military discipline during the nominated daylight hours.

Who can attend

Any WW2 Axis or Allied Reenactment group. Individuals are welcome and efforts will be made to hook you up with a unit. **Registration is required.**

Cost

You MUST register to attend this event.

Cost per person for the event in 2010 is expected to be **\$50 pre-paid, \$80 for turn ups on the day.**

Those wishing to attend please be made aware that a deposit of \$20 (non refundable) is to be paid towards the considerable organisation of this event. There is an enormous effort dealing with the relevant authorities to make this event an enjoyable and successful time away, so please don't delay responding to this email.

Payment details are:

Internet or direct deposit transfer:

Institution: Credit Union Australia
Account Name: Army Group South
BSB No 804050
Account No 30307940

Postal address for cheques etc is: PO Box 12325 George Street Brisbane Queensland 4003

IMPORTANT: Please indicate when making ANY payment that it is for the Armidale and include your last name.

Due to permit requirements there will be no last minute bookings - Cut off Date is one (1) Week prior to the event

INTERSTATE PERMITS FOR FIREARMS IN 2009 cost \$25.00 (see "Firearms" below)

THIS WILL BE A NON-REFUNDABLE EVENT, SO COMMITMENT PLEASE.

Vehicles.

Military vehicles appropriate to your unit are most welcome.

Vehicles must remain on the designated tracks due to the new plantings of pines.

Please notify the organisers if you intend to bring a vehicle.

You may be asked to assist in food deliveries to the troops in the field at some point.

Vehicle Movement

Drivers are requested to keep speeds down to 15km an hour in the camp area due to the risk of tentage or people sleeping on the ground.

It is also urged that anyone moving at night do so with a light source due to the darkness of the forest.

Camp Areas

Period camping will be in allocated areas.

The Camp areas are to be kept in period to allow for photos etc.

Weather

Weatherzone Seven Day Forecast:

<http://www.weatherzone.com.au/nsw/northern-tablelands/university-of-new-england>

Bureau of Meteorology Four Day Forecast: <http://www.bom.gov.au/products/IDN10060.shtml#NT>

Weather for 2009: clear, no rain.

- Friday - 31st July - Max: 11 Min: -3.0 Rain: 0.0
- Saturday - 1st August - Max: 15.2 Min: -5.5 Rain: 0.0
- Sunday - 2nd August - Max: 16.5 Min: -6.4 Rain: 0.0
- Monday - 3rd May - Max: 15.1 Min: -4.6 Rain: 0.0

Bring your woollens. Ensure you have sufficient warm clothing and that includes scarves, gloves, cap comforters etc.

Forest Visitors

State Forests advises the Pines is a state recreation area and we may expect other forest visitors. These may include dog walkers, horses, joggers, and picnickers.

If visitors wander through your scenario or training, cease your activity until it is safe to proceed.

On Arrival

You will be directed to your camping area -This will be by your impression if period or modern.

Once you settle in, present your self to the Event Control Centre (marked by the RED CROSS flag).

Here you can finalise registration and complete your paper work. Shooters are required to bring your licence and firearm to be registered for the event.

Weapons

It is expected that units will have completed weapons training prior to the event.

Period correct weapons not prohibited under NSW Law are only to be used. This means bolt action rifles basically are the approved weapons.

At this stage handguns are in some doubt. Pyrotechnics will not be used due to bushfire concerns.

IMPORTANT: For non residents of NSW

Firearm requirements.

Historical re-enactment permits can be issued to individuals and groups from interstate for a specific event. The firearms used must be registered, either to the individual's interstate firearms licence, or an individual or group Historical Re-enactment permit issued by an interstate authority. The firearms to be used will be specifically listed on the permit.

CARRY YOUR FIREARMS LICENCE !

Firearms carrying participants are reminded to have their Shooters Licence with them in anticipation of a police visit over the weekend. Interstate Application Requirements :

- Permit Application Form
- **INTERSTATE VISITORS BRINGING FIREARMS TO NOTE :**
Due to NSW legislation, that apart from all the information you below, you will also be required to supply a copy of an extract of your birth certificate or passport - signed/ certified by a JP or equivalent - to the NSW Police Department.
- Details of the firearm(s) to be used in the re-enactment:
 - make
 - model
 - serial number
 - calibre
 - registration number
- Details of the re-enactment/s :
 - date/s
 - start/finishing time/s
 - location of event
 - organising authority/group/club association details etc

- purpose of the reenactment
- name of the Display/Re-enactment Safety Officer
- Individual interstate current firearms licence or permit number
- Re-enactment Group (the following details must be provided for each person(s)) :
 - full name
 - residential address
 - date of birth
 - current firearms licence number
- IN 2009 : Fee of \$25.00 (cheque or money order or card payable to Firearms Registry)

For a permit application phone the NSW Firearms Registry on 02 6670 8563 and ask for a permit application and supplementary instructions for a Historical Re-enactment Permit. ***The Registry requests this be done ASAP to allow interstate registration checks to be carried.***

For information on any questions on the permit contact : [Army Group South](#)

Ammunition

Naturally no ball ammunition is allowed on site. Budget on about bringing 100 rounds of blank per participant. Drill rounds used in weapon training are to be inspected by the safety officer.

Fires

Camp fires may only be lit in a clear area and the fire pit surrounded by rocks.

Fire buckets should be brought and placed behind all tents. The creek water is suitable for this purpose.

Fires can only be lit in designated areas. Please ensure that the area is clear around your fire pit and no fire is lit beside a stump.

Tents should have a fire bucket (filled with creek water) behind tents. In the event of fire, State Forests requests that all participants make reasonable efforts to contain the fire. If you detect a fire raise the alarm by shouting "**FIRE !**".

Due to fire restrictions no pyrotechnics will be used in the event.

Smoking

It is a State Forest regulation that no lighted match or smoking material be dropped on the forest floor.

Medical

Medical staff will be on hand during the weekend. Units and vehicles should carry basic first aid requirements. A large first aid kit is kept in the base camp. This will also be the event admin point and will be marked with a RED CROSS flag.

This area is out of the exercise area. Units are urged to carry first aid kits. In the need of medical evacuations, this is to be organised by the event coordinators.

All participants will be provided with first aid supplies as a matter of course.

Please let it be known who your unit's medics are.

Safety

A full safety brief will be given on Saturday morning.

The overall safety officer is: To Be Advised

Unit safety officers are to be nominated and the Armidale organisers informed ASAP.

Any participant on observing an unsafe action can stop the event by Shouting "**STOP STOP STOP !**".

Night Fighting

Whilst there will be some extended tactical sessions leading into the night, there will be no prolonged night fighting at this event.

Blank ammunition

Blank ammunition will not be discharged within 30 meters of any person and in a 30 degree arc each side of the target.

This can be judged using the three knuckle rule. If in doubt of the safety distance do not fire.

In the case of a misfire, unit NCO's are to supervise unloading. Whilst your firearm is being cleared you are not to be considered part of the exercise.

Close Quarter combat

Bayonets are not to be fixed and hand to hand fighting is prohibited unless pre-approved by the Organiser

Firearm Security

Firearms to be secured at the end of activities. We advise the use of trigger locks and locking firearms out of site in vehicles.

Alcohol is not to be consumed by anyone in control of a firearm. This is a criminal offence in NSW.

If you are captured you are to retain possession of your firearm and carry it slung, muzzle down.

Drug/alcohol policy

NSW Regulations apply. Blood alcohol is to zero when handling firearms.

Alcohol is only to be consumed when weapons have been secured.

Prohibited substances are just that. Prohibited.

Facilities

The facilities are primitive. There is no power on site. There are no showers on site.

Porta-loos will be available on site

Hand washing facilities are set up near the toilet area.

Garbage bags are available to all units for rubbish collection.

Hot water will be available for dipping mess gear prior to meals and washing up.

Water

A creek runs through the site and the water is undrinkable.

Attendees should bring a water container (suggest 20 L) with a water run being made into town as necessary.

Water will be provided for hygiene purposes and for the kitchen.

Campers can fill fire buckets from the on site creek.

Communications

There are restrictions for mobile phones due to the geography of the area - Vodaphone mobiles appear to work better in some cases.

Organisers' Mobile Number (to be advised)

The organisers will be on site from Thursday.

Any problems or assistance please contact on mobile xxx xxx xxx

Food

Units are responsible for arranging their own rations

Security and Parking

Vehicles will be parked in a secure area close by the main camp. Camping is available on site.

We would hope that non accurate tentage is placed behind the parking area to allow sites for historical shelters around the long house.

(this will assist living history photo opportunities.) The camp will be occupied at all times

The Car park will be on the road coming in at the top of the hill on the right hand side. Modern camping is situated here.

Garbage removal.

Garbage bags will be provided to remove all waste from the site
